- During January and February, promotions and other preparatory work
- Conference set-up Friday afternoon and take-down Sunday afternoon

- Coordinate an area, such as ground transportation, child care provider information, signage, conference packets, special needs, work-study volunteers, and more.  
(The work will be explained in detail if you're interested.)

**The Work-Study Agreement: We will discount the conference fee *at the time you register* by \$15 for every hour you commit to help, up to 50% off the registration price.** This is a general agreement, not an employment contract. There is no time clock; this is based on trust and good will. We reserve the right to assign and supervise your tasks. We will do the best we can to meet everyone's requests. If you are so excited about this conference that you will give every free moment to it between now and March 5, please contact us about a full scholarship.
